The Pamela Meyer Advantage

Pamela trains managers, C-suite executives and boards of directors in deception detection techniques used by CIA operatives, FBI negotiators and interrogation experts. Her 90 minute workshop provides advanced training in spotting deception, eliciting hard-to-obtain information, behavioral ethics, negotiation tactics and inside threats. For the first time, this 90 Minute Executive Briefing is available to the public so leaders at all levels can arm themselves against deceit. The workshop is highly interactive and concludes with a customized informal Q&A session that leaves each participant armed with a tailored plan for getting to the truth.

Topics Covered

Pamela Meyer's carefully crafted workshop covers everything from liespotting in negotiations to ethical interviewing tactics, specifically tailored to executives and senior management. At the end of each session, participants will be able to:

- Read facial micro-expressions to determine subtle signs of deceptive behavior and underlying emotion
- Gain the upper hand in business negotiations by learning specific behaviors liars exhibit while in a negotiation, interview, or briefing
- Identify strategies for eliciting information that are professionally acceptable and grounded in sound ethical deliberation
- Analyze sentence structure, paralinguistic behavior, baseline behavior and facial manipulators for signs of deception
- Obtain critical information under stress, when dealing with challenging situations and employees or crisis scenarios
- Undertake a deception audit throughout an institution or organization to identify key areas of security risk
